

The Rainbow Centre Scarborough

support uplift encourage

a short introduction to the
Wellwishers' Scheme

The Rainbow Centre was set up in 1997 as a direct response to an EU survey of deprivation across the membership of the European Union. Castle Ward in Scarborough was identified as an area with significant needs and this prompted the congregation of the Parish Church of St Mary's to act and pray.

Initial work was undertaken on a small scale with the establishment of practical support programmes based in Parish House.

Today the Centre provides **an extensive range of support** to those in the town of Scarborough and the wider community who are homeless or in need of other practical support.

Specialist financial and debt support is offered through Rainbow Money and the Centre recently established a **furniture recycling and redistribution project** providing much needed items of basic furniture to those who are being housed in the area.

In 2013 the Centre provided support to over 1300 people who were vulnerable or in difficult circumstances.

Not bad for a small charity!

The Wellwishers' Scheme. What and Why?

One of the early commitments was to independence and, to that end, the Centre started a Wellwisher scheme to raise finance and other support within the local community. We really value all offers of support and even small amounts regularly given help us to support local individuals and families in real need.

■ Might you be willing to donate on a monthly basis, supporting our services?

■ What about encouraging your office or community group to take part in a sponsored event?

■ How about donating food on a regular basis to support an individual or family in need?

Please would you consider becoming a regular Wellwisher? The Centre is often a lifeline to those needing support due to homelessness, or family crisis. We want to continue bringing hope and practical support to local people. **Help us to help those who need support in our community.**
